17:05 Descent break

RACE FORMAT NOTES

CITY HILL CLIMB 2026

Maximum of 30 riders per category (Elite M/F, Road M/F, MTB M/F)

QUALIFYING

One qualifying round is held per category, with up to 8 athletes per starting group (maximum of 3 qualifying runs per category).

Qualifying 1 - 10 riders (5 fastest qualify directly for the semi-finals)

Qualifying 2 - 10 riders (5 fastest qualify directly for the semi-finals)

Qualifying 3 - 10 riders (5 fastest qualify directly for the semi-finals)

Up to 3 additional riders may qualify for the semi-finals on time as lucky losers. The 3 fastest run times among the riders who would otherwise be eliminated count. A maximum of 18 riders can advance to the semi-finals.

SEEDING AFTER QUALIFYING

This gives both semi-finals the most evenly matched fields possible:

Semi-final 1: Seeds 1, 4, 5, 8, 9, 12, 13, 16, 17

Semi-final 2: Seeds 2, 3, 6, 7, 10, 11, 14, 15, 18

SEMI FINALS

In each category, 9 athletes start per group (maximum of 2 runs per category).

Semi-final 1 - 9 riders (4 fastest qualify directly for the final - no lucky losers)

Semi-final 2 - 9 riders (4 fastest qualify directly for the final - no lucky losers)

FINAL

In the final, 8 athletes start in each category.

FORMAT ADJUSTMENTS

If fewer than 30 riders compete in a category, the runs are organised as follows:

19-30 RIDERS PER CATEGORY

3 qualifying runs + lucky losers

10-18 RIDERS PER CATEGORY

2 qualifying runs - no lucky losers. All riders advance to the semi-finals, but must complete qualifying in order to compete in the semi-finals.

1-9 RIDERS PER CATEGORY

1 qualifying run - no lucky losers. All riders advance to the semi-finals and then the final, but must complete both qualifying and the semi-final in order to compete in the final.

The allocation of riders to each run will be posted on site and adjusted according to the number of registered participants.
